You know Shigure, right now princess Lilia is dying of poison.

The Count has give her the antidote by mouth but the kingdom would melt if they kissed!!

They're in a big pinch you know.

I'll be doing a check up on you now.
What?
Put your bag down and have a seat.
O-okay!
NOW!!

What's that?
Whoa, the insides of your head are looking pretty bad.
You're thinking about stuff like that? What a pervert.
ピト
I'll be able to tell if you're lying or not.
WHAT !?
Too late to do any -thing for your head now, next up is your heart.

I must insure that he doesn't find out...
I mean if he finds out then...
Thump... Thump...
This thing you can't tell me,
Have you been hiding it from me all along?
Your heart rate's sky rocketing...
Could it be related to the novel?
WHY THAT !?
You seemed to enjoy talk -ing about it last time but today it seems troubling for you.

No... He'll find out...
That I used him for story material.
No one would like that, right?
He'll surely tell me to stop writing if he finds out.
Then...
He'll hate me...
Is that how much you don't want to tell me?
Then...

Can you hear it? The sound of my heart...
Shigure's...?
The sound of my love for you...
No...
What is this fast beating..?
Mine...?
If it's hard to tell me then you don't have to do it...

As long as the sound of you heart is the same as mine,
Then it's alright with me.
Mine too...

I can't tell you about the novel...

I have no choice but to take this secret to the grave with me...
If he realizes it's the same sound then...
